GIRLS' SOFTBALL

The Girls' Softball team staggered off to a slow start but compensated for this by their victories over the top teams of the league. Their hot streak started with the shellacking of Brush, possessor of 2nd place in the GCC, then dredging of Willoughby South (10-5), the winner of the GCC tournament and currently in sole possession of first place, and the next day they came back to battle the same South to an 8-7 decision. Four of these runs came in on a grand-slam home run by JoAnne Bokar, her second grand-slam of the season and fourth home run. A grueling 12 inning ordeal against Eastlake North made Euclid victors again, when Chris Gole singled and Pinch-hitter Natalie Rudman drove in the winning run. They also showed Mayfield Heights, the league leader, that the pantheretts meant business when they drubbed them 14-11. All the team members made it safely to base in this game and Linda Misch hit a triple. Chris Perryman and Barb Swansinger blasted home runs at Brush. Mary Ellen Turk pitched the entire Mayfield game. The most extraordinary and unbelievable play of the season was a triple play at Brush. JoAnne Bokar, Sandi Stankiewicz, and Barb Swansinger executed this outstanding play. This team is fundamentally sound and will definitely be a strong contender next year.

ROW 1, L-R: Linda Misch, Kathy Hutton, Natalie Rudman, Vicky Chapman, Cheri Strah. ROW 2: Kim Duffy, Barb Swansinger, JoAnne Bokar, Muff Truskolaski, Mary D'Amico. ROW 3: Chris Gole, Tina Kuklica, Mary Ellen Turk, Mary Holmes, Coach Foxy, Sandi Stankiewicz. MISSING FROM PICTURE—Christine Perryman, Patti Dietrich, and Linda Lang.

GIRLS' TRACK

The Girls' Track team had an outstanding season this year. Dedication, sacrifice, plenty of hard work and most of all teamwork enabled them to be exceptionally successful in the fierce and intense competition. Participation and quality of competition increased vastly. More girls are becoming aware of their abilities and limitless potentials. This did not discourage the EHS squad; they proved themselves to be tough contenders. The girls took 2nd place in the GCC (5-1), 2nd out of 34 teams in the city meet and a 1st for the 880 Medley and a 2nd for the 440 Relay in the Euclid Relays. The 880 Medley of Dawn Woodruff, Kathy Sands, Marilyn Zalatel and Carrie Shuster swept three records with their 1:51.8 time, they had the meet, school and at the time state record. The 440 Relay of Dawn Woodruff, Kathy Rymarczyk, Marilyn Zalatel and Carrie Shuster set a new school record at the Euclid Relays. The team also captured 1st in the Rebelette Relays, seized a 1st at the Sectionals, and acquired a 1st at the District. At the State Meet they did a fine and great job; they came home with a 3rd place and many new individual goals achieved. Debbie Williams won her second straight state champ title in the discus with a toss of 135-5 and received a 4th in the shot with a put of 40-2½. Dawn Woodruff took a 4th in the state 80 yd. Hurdles and a 4th in the state 440 Dash. Carrie Shuster also took a 4th in the state 880 Run. Eight school records were broken, throughout the year new records were set and before the ink had a chance to dry another record was set. Their new coach Joe Muscarella and Pat Buck did an extraordinary job. The mascot, Mighty Jock (MJ) also enjoyed the fantastic track season.

SENIOR TALENT

"Live from Euclid Sr. High school, it's Senior Talent Night." Acts ranged from the musical presentation of "Send in the Clowns" to graceful, petite ballet dancers. Abbott and Costello had the audience rolling in the aisles and the Comedy Crew was also hilarious. The Sexy Six, the Golden Girls, and a live hula dancer provided an unusual assortment of entertainment. The whole production was well run and there was something for everyone.

Blue Oyster Cult revised.

If you were 3 feet tall, you'd be clumsy, too.

Barb Hasse sings "You left me Sore."

Sam Mason teaches the seniors to spell.

Sheri Cebul leads her foxy ladies.

OUTDOOR TRACK

Euclid had a great season with an undefeated record in outdoor track. Exceptional jobs were done by Dan Debevc, Mike Schudel, Bill Kobetitsch, and T.J. Anderson, each scoring over 1,000 pts. for their team. Special awards were given to Dan Debevc, most valuable player; Bill Kobetitsch, most improved player; and Bob Gold, outstanding leadership.

"TREASURES OF THE SEA"

"Treasures of the Sea" was one of the best shows Euclid's Wai Napolo members ever put on. This year there was everything from a Siren to Pirates. The talent this year was exceptional. This year's show included acts entitled: Dolphins, Treasures, Sailors, Aquamaids, A Dragon, Rainbow Fish, Seaweed, Beach Bums, Catfish, Penguins, Sting Rays, Sirens Sea Anemones, Electric Eels, and, of course, the Boys Comedy "Pirates."

The show was presented on April 21, 22, and the 23rd. A very special thanks to Mr. VonBenken for all his hard work and effort.

Start out with Billy Crocker, a broken-down broker, and Hope Harcourt with whom he has had a brief but potent relationship. The addition of her fiance, Sir Evelyn Oakley, and Reno Sweeny, the former evangelist and nightclub singer, creates an "interesting" situation. Bring on the notorious gangster, Moonface Martin (disguised as a minister) and his girlfriend Bonnie and you have all the ingredients necessary for a delirious comedy. Put them all on a cruiser going to England and you have this year's Big Show, "Anything Goes."

This year's show ran from April 28 to 30. Television personality, Jan Paulich Jones added a professional touch to the play. With the dedication and superb direction of the talented faculty and staff, the show was a tremendous success.

JUNIOR PROM

On Saturday, May 7, this year's juniors climbed the "Stairway to Heaven" as they came to Junior Prom. The festivities included dancing to the band, LUCIOUS, refreshments, and lovely goblets given as favors. Couples boogied; chaperones sighed; and everyone enjoyed himself.

"No, we're NOT getting married!"

Jeff, Pam, John, and Stefanie take a moment to pose for the photographer.

SENIOR PROM

Senior activities started with senior cut day and was culminated by graduation. The highlight was "Opening Night." Three hundred couples danced to the music of Coconut in the E Room Ball Room after a delicious dinner at TRW accentuated by the music of the Jim Blue Band. After leaving the dance at 1 o'clock the reveliers returned to TRW to dance to the music of Jasper. An early morning breakfast was served before students left for individual parties. Then on June 6 seniors returned to TRW for the traditional Senior Breakfast.

COMMENCEMENT

On Tuesday June 7, 1977, Seven Hundred and Ninety Seven students assembled at Cleveland Public Auditorium to receive their diplomas and to bid farewell to Euclid Senior High School. The highlight of the evening was marked by the turning of the tassels.

Mr. Schwagler certified the Class of '77, and Dr. Husarik presented the class to Mr. Totten, president of the Board of Education, who accepted the class on behalf of the community. Randy South gave the invocation and Patty Noel gave the benediction. Students then left the auditorium by marching to "Pomp and Circumstance."

To the class of '77, best wishes and may good luck always be with you.

Sports...

The J.V. football team compiled a 4-6 record while collecting valuable experience for next year's varsity team. Outstanding players were leading rusher Bob Clemence, linebackers Dave Wolf, Ray Naro, tackle Ray Strah, defensive back Tom Rinderle, wingback Devin Wilson, and center Noel Brady, who stepped into the varsity lineup and started six games. Although they were small in number, they had plenty of talent which will aid varsity in the coming seasons.

PANTHER PRIDE

The Euclid Panthers football team compiled an impressive record in the 1976 season, leading the GCC for much of the season. Co-Captains were Ron Ranallo and Tom Wandersleben. After a slow start by losing to Valley Forge, the Panthers ended in a scoreless tie with rival St. Joe's. The Panthers continued gaining momentum after a West Tech victory and another tie, this time with Willoughby South in the GCC opener. Head coach Ron Seymour is happy with his team's improvement over last year's 2-6-2 record.

Squires Linda Ice and Nada Coso greeted couples as they entered the Enchanted Castle.

"Sam Mason, don't just sit there, help me pin this thing on!!!"

ENCHANTED CASTLE

Cold weather prevailed during Euclid's Homecoming Week of October 20-22, which cancelled the Homecoming parade, but did not turn away the many fans who attended the Homecoming game. The following night, the Enchanted Castle opened its doors for the 200 elegantly dressed couples who danced the night away with music provided by Crossfire.

1975 Homecoming Queen Laura Allen happily approved of her successor Tammy Polley at the Friday morning assembly.

Did Jan Novotny at the Homecoming pep rally really pledge her heart to Channel 5's Gary Ritchie?

The 1976 Homecoming Court consisted of: Sophomore Attendant Lora Hayman, Junior Attendant Jackie Kuhar, Senior Attendants Diane McCarty and Renee Fetko, Queen Tammy Polley, King Wally Honer, Senior Attendants Jeff Lane and Dan Debevc, Junior Attendant Wayne Buza, Sophomore Attendant Kevin Sidman.

On August 23, a group of 40 individuals ended their summers and started making the sacrifices necessary to have a winning team. Skills, team work, technique and strategy were the ingredients molded together to achieve this goal.

They played on muddy fields and under hazardous conditions much of the time. Co-Captains of the team were Seniors Andy Prause and Randy South, who helped keep the team's morale up throughout the season, as did coach Greg Sattler. Departing players this year are seniors Monte Carlo, Jack Colling, Tom Young, Terry O'Brien, Kurt Dieckmann, Craig Yoder, and junior Rick Lane.

On October 28 when the season ended, the team looked back with pride to review what they had accomplished. With a 7-5-1 record, Euclid had its third winning season.

RUN FOR YOUR LIFE

The 1976 cross country team remained GCC champions for the second consecutive year. Senior Bob Gold had an outstanding season, running in first place in the GCC meet. Two other Euclid runners were also named to the All-GCC team, senior Craig Basler and junior Chris Dole. In addition to these three, the rest of the team enjoyed their success as a whole. Also running well were seniors Pat Campbell, Scott Wilson, and junior Walt Wolski. Coach Tom Halbedel was named GCC Coach of the year for his exceptional job as Euclid's coach.

SPLISH-SPLASH

The 76-77 water polo team compiled a 4-2 record in dual meets and a 1-2 record in tournaments. In the Rocky River tournament, the Panthers finished second behind Berea out of eight teams, and placed fifth in a field of seven teams in the Euclid Invitational. Co-captains Mike Pyle and Ken Dorsch, along with Scott Wise, Bob Ross, Mike Glaser and Barth Cerer, were starters for the team team. Other outstanding players were goalie Joe Perpar and Jack Shelden. The team was young this year, and with with experience, Coach Rodriguez has great expectations for next year.

FRONT ROW: John Mullin, Bob Clines, Andy Rossman, SECOND ROW: Mike Pyle, Ken Dorsch, Bob Ross, Terry Brennan, Doug Jones, THIRD ROW: Tom Rotar, Barth Cerer, Mike Glaser, Jack Shelden, Eric Darcy, Joe Perpar, Roger Miller.

ONE MORE MILE

Trudging through endless trails with perseverance and endurance was the Girls' Cross Country team. The team had a very successful year with only one loss, that coming against Madison. A sophomore, Carrie Shuster, ran in the first position, with junior Dawn Woodruff right behind. The team ended the season with 5-1 record in dual meets.

Girls' Cross Country, ROW 1: Karin Schultz, Jan Slejko, Carrie Shuster, Kathy Rymarczyk, Muff Truskolaski, Dawn Woodruff, Karen Rymarczyk.

The Season
 We Golfers toiled in summer's heat
 Through October's chill.
 Victories in August's dreams
 Certain to fulfill were, by
 September's errant stroke deferred
 Then put off later still.

How few those moments sweet
 triumph
 Chance smiled on those we fought
 And, thinking on our spirit shown,
 More broadly than it ought.

But winter's purge shall steel the
 will,
 Our flaws through patient effort
 healed
 And victors of the vanquished make
 When next we take the field.

The 1976-1977 Girls' Tennis team had a well rounded season this year. The team ended its season with a 6-6 record. There were 20 girls on the team, backing up the high scorer, Debbie Williams, who was the district champion and later went on to State Competition. Lynn Roberts and Joy Mast, co-captains, felt that the girls continued improving throughout the season.

With the skills and drive of 8 volleyball players, the 1976-1977 team had little trouble winning victories over the opposing teams. With Mary D'Amico being the team's leading scorer, the team ended the season with a 5-2 record. Miss Buck, the coach, and Captain Sandi Stankiewicz were very proud of these dedicated girls and felt that they played well together with no single player dominating. The girls placed second in the league but were eliminated in the first round of tournament play.

SHOOT THE HOOP

The 1976-77 JV Basketball team enjoyed success under their new coach Neil Sharp. By drilling in the basics of the sport, the team became more consistent in their games as the season progressed. High scorers were Mark Coan, George Newcomb, and Kevin Kaifesh, but all the members of the team gave 100% in each game. Varsity Coach Doc Daugherty hopes that this year's JV talent will transfer itself to next year's Varsity team.

SINK IT

The Varsity Basketball team lost a lot of close games in a season of rebuilding. Coach Doc Daugherty was pleased with the individual players' progress and what the team lost in games, they gained in experience. Junior co-captain Cliff Kirchner showed constant improvement throughout the season as did starting guards Scott Parker and Jim Daugherty. The team was young, with only two seniors playing: John Trommetter and Tim Kooser. By giving the "Blue Team" playing time every game, Doc is planning to have a great season next year.

FRONT ROW: Jim Daugherty, Tim Kooser, Co-capt. John Trommetter and Cliff Kirchner, Ken Williams, Dennis Lynch, Scott Parker . . . BACK ROW: Scott Maxwell, Jeff Springer, Asst. Coach Stupica, Jim Roeder, Dave Linane, Coach Doc Daugherty, Dave Sexton, Mike Lynn.

MARDI GRAS

On Saturday February 19 loving couples, mingling with friends and dancing to the beat of Islands' music, enjoyed the warmth at Winter Festival. Over 130 couples participated in this lavish annual event, and the night will be remembered by many as one of music and pleasure. The reigning queen and her court danced slowly to the sounds of Electric Light Orchestra's **Can't Get You Out of My Head** and were soon joined on the dance floor by the rest of the well-dressed students. Two days beforehand, the queen and her court were announced in the Thursday morning assembly and were treated to lunch on Friday morning. Winter Festival was a weekend that was enjoyed by all.

The Euclid wrestler is a unique breed of athlete. Like the panther he is quick, powerful, and agile. He must possess the skill to attack his opponent and have the endurance to force him into submission. The attributes of each individual wrestler when combined with those of his teammates create a team of superb strength and quality. Such a team is Euclid.

TANKERS

The Panther swimmers continued their perennial domination of area pools with yet another outstanding season this year. The team worked hard during many hours of practice so that when the time came, they were more than ready to demonstrate their very best aquatic skills. Determination and pride served to drive this year's swimmers through a long series of victories. Euclid has produced another fine team and added another season to be proud of its unparalleled record already.

Improving with every stride were Junior forwards Gene Lavally and Mike Thomas along with defensemen Denny Dixon, Mike Chapman, and rookie goalie Mitch Zalar. Showing promise and holding the key to the future were Sophomore forwards Chuck Golden, Jeff Fiffik, Brian McCullough, Bill Holmes, Tony Vitolo, Mike Krnc, defensemen Phil Campensa, and another rookie goalie, John Williams.

ON YOUR MARK, GET SET, GO!

The Panther Indoor Track team enjoyed another successful season as they added to their 100-victory record in the Indoor Track's history. Seniors Dan Debec in the hurdles, Mike Schudel in the sprints, Bob Gold in the distance events, T.J. Anderson and Jim Drobnick in the high jump, and Tom Wandersleben in the weight events were all outstanding. A large number of underclassmen rounded out the team, again coached by Bob Ramlow. The team has gained enough experience to again remain a powerhouse in outdoor as well as indoor track.

ACCADDEM-BOO

Members of the Euclid Board of Education. (SEATED) Mrs. Diane Luikart; Mr. Paul R. Totten, President; Mrs. Shirley M. Nurmi, Vice-President; Dr. Ernest A. Husarik, Superintendent. (STANDING) Mr. Lowell B. Davis, Clerk-Treasurer; Dr. William Dodds, Asst. Superintendent; Dr. Robert Wightman, Asst. Superintendent; Dr. Frank S. Houser, Mr. John Lewis, Bus. Manager; Mr. Donald D. Smith.

Sincere interest and concern characterized the Administration. The principals, who headed the administrative staff of Euclid High, acted as an executive branch in the running of the school. They extended extra effort in order to maintain contact with and to bring officialdom closer to the student body. The specific duties of Dr. Bergem included supervision of the guidance dept. and student affairs. Those of Mr. Johns were the management of the budget and building maintenance. Actual instruction and curriculum affairs were tended to by Mrs. Smith. The members of the School Board fulfilled their duties as elected officials by making the final decisions regarding important school matters. By helping the teachers and students with various problems, having the final power of okaying the school's activities and assuming definite positions on major issues of the school, these people served to consolidate everything that went on at Euclid High.

DEANS AND

Although deans and counselors are often associated with "yellow slips" and detentions, their purpose is to help students solve problems and to give advice. They deal with students' personal problems and problems

with teachers, scheduling, and attendance.

Valuable advice regarding career choice, colleges, and financial aid is also provided. Vocational coordinator Ben Sawyer plans such programs as the half-day.

school/half-day work with which many office education classes are associated. As career counselor, Robert Yocum introduces students to the value of the career office and its information on schools and career choices.

Especially helpful to seniors are the Job Board and sessions with college representatives. Always willing to listen, the division offices and services link the educational system to individual students.

PHYSICAL EDUCATION

Art and music affect everyone's life. Students who take art in a formal, structured course get to develop new ways to express their feelings and ideas and consequently, come to share these talents with the entire student body through exhibits, frescoes, and demonstrations. Those students who play in the band or orchestra and sing in the choruses perfect their talents and participate in school musicals and community concerts. Thus, music and art communicate special and different meanings to each individual.

The application step of education is its most important aspect. After learning the ideas and methods, the student can apply them through the Occupational Education Department of Euclid High. Students are placed in real life work situation, where knowledge and skills are sharpened.

Foreign Language

The Foreign Language Department offers three languages to its students: German, Spanish, and French. Besides mastering the grammar and vocabulary of a language, students are exposed to the cultural aspects of the native countries. Literature, filmstrips, movies, and tapes prepare students for future use, especially in travel abroad. Special trips are planned to countries in Europe. The well-equipped language laboratory offers opportunity for the practice of listening and speaking, and it ranks among the best in the area. This is also true of the Foreign Language Department.

The secretaries, librarians, and cafeteria workers combined to help keep the Euclid Senior High School operating efficiently. The secretaries helped the deans and counselors by typing, answering phones, and keeping the files in order. The librarians kept the library open from 7:45 to 4:00 daily, supplied everyone with reference books and materials, and kept the media center open during school hours. The cafeteria workers served a wide variety of delicious foods ranging from tacos to yogurt. All of these people kept things running smoothly for the students.

NON-TEACHING STAFF

Edith Mueller was born in Chicago on April 6, 1908. She worked in the Euclid Senior High School library nearly twenty years as a library assistant, and was in charge of circulation and fines. She enjoyed bridge and decoupage and was active in the Church of the Epiphany. Edith left two daughters and four grandchildren.

Have you ever wondered exactly who it is that takes care of Euclid's media equipment or who administers first aid to such things as blisters caused by new shoes or who cashes all the checks made out to "Euclid Sr. High"? And who is it that "polices" the halls, johns, cafeterias, and most study halls? The seven people pictured on this page—that's who! Kurt Banford, besides keeping classrooms supplied with projectors, tape recorders, record players and other audio visual aids, also directs the AV boys and takes care of all the video-taping at EHS. Grace Civic and Regina Fellman nurse everything from broken nails to broken bones and conduct the physical examination programs. Treasurer, Mrs. Barry manages the book-keeping system and sells bus tickets. All club treasuries are filed with her office. In addition, there are the four paraprofessionals who perform varied duties such as keeping the halls, cafeteria, and E-room in order. This is a big job for just four persons, but with the help and cooperation of most of Euclid's student body and staff, they get the job done. Though they do not teach classes, these seven people are instrumental to the educational system.

JUNIORS

The class of '78 had been through a confusing year. They could no longer use the excuse, "We're still sophomores," to cover up mistakes, yet they also did not yet belong to the elite, looked-up-to society known as seniors. They were a little braver during the Battlecry, but still saved "that little extra" for senior year. By now most have adjusted to the Sr. High and with excitement of Christmas decorating, class rings, spaghetti dinner, and junior prom already gone; they finally have senior year to look forward to. On the last day of school, as juniors have their rings turned by departing seniors, they become official "seniors." Good luck—may your senior year be as great as '77!

Charlie Kapek studies dilligently in the library.

SOPHOMORES

The faces of the Sophomores were seen daily in the halls of Euclid High School. They represented the new spirit of our school. The Sophomore enthusiasm made the school a more cheerful place. They entered the building in September of 1976 and have, by now, mastered the feat of rushing from class to class. To them the school was a melting pot where junior high rivalries were overcome and life long friends made. The uncertainty of their futures offers them a challenge that builds and molds them into a ready group of adventurers, prepared to undertake the trials and tribulations of modern society. Good luck to the sophomores in their future here at Euclid and beyond.

GOLDEN GIRLS

The 1976 Majorettes, under captains Mary Beth Perry and Diane Rado, practiced over the summer to add an additional excitement to our football games. They seemed to satisfy both young and old by performing their routines to such songs as "Love Will Keep Us Together," "The Hustle," and "Theme from S.W.A.T." Although we do not see much of them after the football season, in our hearts we still remember their hard work and fine entertainment.

GOLD-28, BLUE-14

The 1976 Gold team shattered the Blue team's domination of the six previous Powder Puff contests as they soundly won on November 14th with a score of 28-14. The Gold team prevailed, as they had a strong passing attack with Linda Bratina at the helm. The Blue team was continually beset with offsides penalties. Entertainment was provided by the Powder Puff marching Band and the "beautiful ladies"—the majorettes and cheerleaders. Everyone had fun, and the senior class benefitted with \$700 going toward Senior Prom.

"Oh, no, you don't! This is MY football, not yours!"

What has sixteen legs and lots of spirit and smiles? The Euclid high cheerleaders! These girls livened up the crowds by "firing them up" with their "Battlecry" and "Boomerang" cheers. RAILROAD MELODRAMA

This year's fall play "Love Rides the Rails" or "Will the Mail Train Ride Tonight" took place on November 18, 19, and 20. It depicted one of the classic melodramas which took place in the 1890's. The story was centered around the villain, Simon Darkway, who tried to stop the mail train from running so he could own the Pacific Railroad franchise. He went about this by getting the hero Truman Pendennis drunk so that his men wouldn't look up to him. But, Carlotta Cortez sobered Pendennis up just in time to save the franchise and his sweetheart Prudence Hopewell. Thanks to all of those fantastic actors and actresses, the fall play was a big hit.

TESTING, TESTING . . .

Remember all those fantastic plays this year? How would you have enjoyed all of them without the microphones, lighting, and other effects? Well, thanks to the great expertise of the Audio and Media Aides, the plays were a great success. They solved all the technical problems and learned short-cuts to make this year's communication system a job well done.

The Euclid High choirs, under the direction of Mr. Sam Taylor, produced several fine concerts in the course of the year. By auditioning for Mr. Taylor, students with singing talent advanced through the various stages of the choirs. Those with the best vocal qualities and experience were chosen for Varsity Chorale, which is the "elite" of the choir groups. Mr. Taylor's veteran ability of weaving and blending the voices of his students and highlighting some numbers with choreography served to produce fine quality concerts.

MUSICAL MAESTROS

A famous violinist once said, "To play great music, one must keep his eyes on a distant star."

The Euclid bands and orchestra rehearsed hour after hour in an attempt to create the perfect performance. There were several stars in view for band and orchestra members. Some tried to satisfy their love for music, and a few were preparing for hopeful careers in music. After combining these people into performing ensembles, music and many memories were created.

The Senior, Junior, and Sophomore classes were very active this year. They engaged in bake sales, selling candy, and many other profit raising projects. This money was put toward the Junior and Senior class proms. The Senior class was the victor of the Christmas decorating contest. The Junior class won the "spirit chain contest" and had a very successful Spagetti Dinner. The Sophomore class had many successful bake sales. Co-operation and hard work enabled them to attain enjoyable proms.

BLOOD SISTERS

Responsible, trustworthy, and caring people was what the Red Cross Club was made up of. These students put in their own time to help our community. By selling candy to raise money, these people decorated a ward at the Veterans Hospital. At Easter, they visited an old age home. The biggest event of the year came after many months of planning, advertising, and coaxing—the Euclid Senior High School Bloodmobile.

WHAT IS IT?

By twisting, bending, twining, and using a little creativity, the members of Metal Sculpture created many ingenious items. It required much patience to compose these sculptures. Ideas were developed to apply a new character or function to the metal. Useful articles were produced from valueless metals and scraps.

FRIENDSHIP EXCHANGE

These students were involved with the Americans Abroad program (CLOCKWISE): Phil Braun (who went to Japan), Quelo Heath (who came from Barbados and who stayed with Nancy Nemecek's family), and Randy South (who went to Brazil).

American Field Service was one of the most active clubs this year. The purpose of the group was to raise money so that a foreign student may be "imported" to Euclid and share our way of life. In addition, two Euclid students are sent abroad to participate in a first-hand learning experience in the culture of another country.

The Girls' Gym Leaders performed various tasks in the gym classes as assistants to the gym teachers. Those who organized bake sales, pretzel sales and car washes were the officers: President Carol Troha, Vice-president Sandi Stankiewicz, Treasurer Annette Cirota, and Historian Denise Lorence. The girls refereed various sports, took attendance, demonstrated and taught skills, and generally backed up the teacher. These dedicated young ladies were an indispensable part of the girls' gym program as they eased the teacher's burden during her endless classes.

Advisor Bill Von Benken and some of his fishies.

WATER MAIDENS

The girls in Wai Napolo trained during the school year to develop their synchronization and swimming techniques. Many hours of exhausting swimming in not-so-warm water and much practice of underwater choreography combined to prepare these girls for the annual Wai Napolo water show. This widely attended show is one of the most popular events of the year, and the hard work of the club members came through very well in a precisely timed and exquisitely produced show.

EINSTEINIANS

Many interesting speakers fascinated and enlightened the Science Seminar's members this year. They enabled the students to obtain a wide variety of knowledge concerning various scientific topics. One of the most prominent experiences was a visit to the Nasa base which was arranged by advisor Marilyn Lucas.

CHILD CARE

Vocational Childcare courses were offered to both juniors and seniors of Euclid. The program, sponsored by Mrs. Bonnie Price, taught the students to teach and care for young children through experience. In the nursery of Noble Elementary School, the children learned many things as the students came and related to them.

Two groups of senior high girls attended classes at the Euclidian Beauty College in preparation for their state licensure as cosmetologists. The seniors attended the second year classes in the morning, and the first year juniors in the afternoons. They had both theory and practical classes, where they learned the technical aspects of hair cutting and the basic cosmetic application procedures.

THE JOGGERS

How long would it take you to run five-hundred miles? On their own time, the five-hundred mile club members ran and accumulated this mileage, braving the elements or escaping to the shelter of the indoor track. What motivated them? It required sheer will-power and severe discipline, and great satisfaction derived from running long distances in short periods of time.

These girls also constituted a loyal cheering section at each meet.

TYCOONS, INC.

The members of the Investment Club met daily to study and discuss the meanderings of the stock market. Students pooled their money to invest in a stock which, according to their careful and detailed research, looked as though it would produce a profit within the course of a few months. Although this experiment was no game, no matter whether they won or lost, they learned by playing. The officers of the Investment Club were: Jeff Mrofchak (president), Joe Clark (vice-president), Ed Lube (treasurer).

All of Mr. Schonauer's economy and stock market classes were members of Investment Club. They were: Greg Brentar, Mark Harmon, Alan Lester, Victor Nolan, Cheryl Abazia, Dale Barnes, Patty Cek, Tony Cell, Connie Cetinsky, Garry Coulter, Ann Grguric, Dave Jones, Andy Kendro, James Kucher, Rob Pinkava, Chuck Nicholls, Joe Pales, Jim Patete, Bob Perusek, Rick Schauer, Bob Szalay, Chris Uram, Scott Wise, Tom Anderson, Rick Armstrong, Bob Blaskovic, Brian Cerbin, Joe Clark, John Colling, Hal Daugherty, Edward Fabec, John Fette, Russell Hennie, Shawn Kahl, Tim Zuponcic, Becky Stephens, Jim Snyder, Mike Pyle, Kelvin Kester, Linda Kordich, Karen Maksymowicz, Robert Papp, Sue Powell, John Ryder, Dave Saletrik, Jeff Schuffert, Carol Troha, John Trommetter, Craig Yoder, Scott Daugherty, Mike Cefaratti, Dominic DiVincenzo, Carl Kozlowski, Bob Leonhardt, Ed Lube, Sam Mason, Andy Prause.

Members of Kids for Earth were: Tom Appleton, Brian Cerbin, Dino Civitarese, Bob Clapp, Bill Mack, Joe Mack, Jim Schmidt, Sponsor Mr. Soltesz.

Those who were concerned with preserving our environment and interested in learning to enjoy it joined Kids for Earth. This group of enterprising people directed their activities toward backpacking, cross-country, skiing and canoeing. They also wrote letters and raised petitions that were sent to local, state, and federal governments hoping to awaken the lawmakers into understanding the beauty of our land.

Writing Club members were Ted Baldassarre, Nita Cook, Nada Jaklic, Andy Kendro, Lorraine Peters, Kelly Smith, Karen Stevko, and Sponsor Mr. Weisenberg.

ASPIRING AUTHORS

Students interested in demonstrating and perfecting their writing talents gathered together to form the Writing Club. The members discussed their own writing ideas and problems, and provided each other with encouragement and suggestions. The purpose of the club included helping those who enjoyed writing to feel that there were others interested in their work, and to share ideas so that each person's writing could benefit from association with the others.

MODERN ROBIN HOODS

The Winter Play, **The Robin Hood Caper**, was performed on March 3,4,5 in the Little Theatre. A synopsis of the play is as follows: Richard Collins' aunt, Flora Langley, and her three friends, Rev. Jason Bosley, Phillip Mullins, and Emily Jordan, are reformed criminals who travelled the country doing good deeds. When they hold their annual meeting of the Charities Anonymous Club, they find themselves confronted with a charity problem in their own backyard. The town's mayor, Hurbert Ratner, is trying to kick Richard out of his newspaper office to stop Richard's editorials about the mayor's grafting ways. The charity-minded quartet decides to help Richard keep the newspaper and win the mayoralty race which is fine with Jessica Selby, Richard's fiancée. The caper seems to be in jeopardy when Jessica's uncle, Frederick Ruggles, shows up, because he is the policeman who originally arrested the four elderly crooks. In the end, "Rugged" Ruggles exposes the mayor as Hubie the Heist, and Warren Coates, the town's crooked treasurer, and his wife, Sylvia, discover that the Rev. Bosley, is a fake and that Sylvia and Warren are not really married. The play ends with the four elderly people revelling in their new-found problem, a charity ball of which "Rugged" Ruggles is the chairman.

// JOB T // FOR

Data Processing assisted in the development of leadership qualities, interest in the American business system, and the competency in office occupations. Involved in this co-curricular club were 36 Euclid students. Funds were raised by the sale of candy, fruit, and baked goods and by dances. The Junior Data Processers were under the direction of Miss Ivanssek and President Roger Stenger, Vice-President Mary Kochan, Secretary Cheryl Everson, Treasurer Chris Journey, and Historian/Parliamentarian Veronica Terrill. The Sr. club is sponsored by Mr. Mize and led by President Joseph Frech, Vice-President Mona Perovsek, Secretary Linda Batdorf, Treasurer Keith Blain, Parliamentarian Barb Ducca, and Historian Peggy McLoughlin. As a co-curricular club, Vocational Stenography provided opportunities for Euclid's future business workers to view the relationship between classroom training and everyday reality. The girls planned business and social field trips. Money was raised through candy and bake sales and car washes. The club also entered local and regional academic contests to test proficiency in various secretarial areas. Club advisors were Mrs. Huefner, Mrs. Regano, and Miss Ivancic. CREATIVE CREW

Probably the most creative publication at the high school was the **Eucuyo**, Euclid's literary magazine. The **Eucuyo** is unique in that the innermost thoughts and refined talents of Euclid's students are expressed through the poetry and short stories which are printed. The **Eucuyo** is published once each year, and the staff members worked hard sorting through hundreds of pieces of literature which is donated to them, choosing only the best for the final publication.

All year long, the Euclidian and Survey staffs enjoyed a friendly rivalry as the two chief publications at the high school. The Survey staff worked hard to write articles and meet deadlines so that each newspaper was read and appreciated by fellow students. A large magazine issue came off the presses in December and successfully proved the staff's talents. An added feature in this year's Survey was the creation of a serial soap opera, "As the Survey Turns."

Dedicated beyond comprehension is the only phrase that even comes close to describing the yearbook staff. Out of about 60 persons who worked on the book, there was a group of about one dozen who carried the weight. Without each person's help, no matter how small, it never could have been done. The troubles we had involved broken cameras, winter school closings, missed deadlines, lost pictures, mistakes, and human frailties. The amount of time spent on this book is immeasurable—vacation days spent at work parties, dinner hours stuck in the Euclidian office, sacrificed lunch periods, wee hours of the morning spent on the Senior section, and the constant worry! There were fun times, too: ice skating parties, workshops, and fifth period lunch.

But the best reward was to see the emergence of the product of all our hard work. The time and care put into this publication seems worth it all when the last page is printed and the book is complete.

BANANAS

One word that described why the students came back to school on Wednesday evenings was "SPIRIT!" Organized by Student Council, this group of energetic and fun-loving people called their club Spirits. They painted creative signs that were hung in the school's hallways, which inspired Euclid's various teams to sound victories.

We are athletic supporters!!!

1-2-3 GET DOWN!

An organization with nearly 100 students, the Euclid Panther marching band worked hard during eight days of August to learn the fundamentals of marching. Under the direction of Arthur Sydow and assistant Greg Kochan, the band performed such shows as the Euclid script, "TV Shows" and such songs as "Bandstand Boogie," "The Hustle," "Long Time No See," and their "Free Ride" dance. Their spirit was the backbone of the pep assemblies, and they helped inspire the football team. Their work on their float won the Marching Band first place during the Homecoming Parade and the "Free Ride" dance awed the visiting bands, as well as the spectators.

THE MINI-GOVERNMENT

The Student Council was the only recognized voice of the student body. They had numerous projects this year, but their main achievements were the success of Homecoming and Winter Festival. They were responsible for organizing the pep rallies and assemblies. They worked hard in raising money for us to obtain vending machines for the E-Room, such as the air hockey and the juke box. Student Council made possible the third annual Bloodmobile drive, and they prepared Thanksgiving baskets and a Christmas party. Without their help, Euclid's student body would have gone unheard with their suggestions to improve the school.

HONORED JOURNALISTS

International Quill and Scroll was a select group of students who were chosen as members due to their outstanding journalistic achievements on any of the school's publications. These members of **Eucuyo**, **Survey**, and **Euclidian** demonstrated their editing and literary abilities through service and management within their club, and this talent was recognized and appreciated by their nomination and acceptance into I.Q.S. by their advisors. The editors of the **Survey**, **Eucuyo**, and **Euclidian**, Mary Clarke, Heather Stump and Sylvia Krulc, respectively, served as presidents of the club.

National Honor Society consisted of students with high grade point averages who were also active in community and school activities. A cautious selection process which followed the dicta of a national charter insisted on a close inspection of applicants' records. For this reason, a student chosen for membership was likely to carry good qualities of leadership, scholarship, and service with him through life, being an asset to society.

COMPUTER JOCKS

LEFT TO RIGHT: Dave Jones, Norm Reed, Gary Keefe, Mike Kupfer, Kevin Halberg, Kathy Rossmann, Mr. Reno.

The Computer Jocks provided Euclid High with many beneficial projects. Through the efforts of these industrious students, many programs were completed to aid both student and teacher alike. The Senior Index, general elections (Homecoming, Winter Festival, and Student Council), and various games such as Jet Land, Blackjack, Tragectory, and Drop (a physics project, using a series of questions and calculations to drop a "bomb), have been developed, compiled, and executed by Computer Jocks' members. In addition to working on their own, members also found time to help any student or teacher with questions concerning the computer. This functional club is multiplying in numbers, and should continue to do so as interest in computer technology increases.

EUCLID SENIOR HIGH 1976~1977 STUDENT COUNCIL

WE WISH ALL THOSE GRADUATING ~ GOOD LUCK AND BEST WISHES!

THESE HANDS . . . HANDS WHICH JOIN!

Hands which symbolize a year's effort of reaching—grasping, for one specific goal; a goal of unity. The 1976-77 Student Council strove for unity among the Student Body, the Administration, and Ourselves . . . WE SUCCEEDED!

Our tremendous success began with a Homecoming so outstanding, that above all will not be forgotten. This affair not only unified the Euclid Students but the whole Euclid Community.

We could not stop here, neither did we want to . . . there was so much more to be done . . . so many more to reach out to . . . nothing could stand in our way. We carried on our success by showing those who needed us that we cared at both Thanksgiving and Christmas time. By working together we once again achieved a "togetherness" between the Student Body and the Community.

Fortunately, the year has not yet ended, but when it does, we hope to leave behind our success, a blessing so wonderful that nothing can compare. May the students that follow us in the years to come be as blessed as we. May their council's officers and members transform and combine from individuals to form a very special group that will seek for, and achieve their main goal—a goal expressed through these hands . . . a goal of "unity."

Graduating Seniors:

It hardly seems possible that three short years have gone by since I spoke to you for the first time, saying, "You, our incoming sophomore class, is now to be known as The Class of Nineteen Seventy-Seven."

Since that September assembly, you have grown collectively as a class and each as individuals. Your participation in the building of Euclid High traditions and your successes have been many, and commendable.

Euclid Senior High has followed and shared your triumphs and your failures. We, the faculty and administration, wish you the very best as you continue to grow personally, socially and educationally.

Let's continue our mutual concern and interest. Keep in touch with us so that we may share your interesting new experiences.

Sincerely,

Walter Schwegler

Euclid Sr. High School.

This is it! The 1977 Euclidian is here. May it bring you enjoyment now and in the years to come. Please read past the mistakes and take a second look at the several thousand good pictures, and read the copy. You may not realize the value of this book for several years, but may the initial sensation be pleasurable. If we have offended anyone, we apologize—it was not intentional.

There are so many people to thank. To anyone who helped, in any way, with the production of this book, thank you. There are a few people I would like to thank in a special manner: Thanks Dr. Bergem and all the office people for tolerating our constant requests for help. To the teachers and club advisors who cooperated with us in scheduling and identifying pictures, writing resumes, and being understanding about staff members' tardies, thank you. A big thank you to Mr. Reno for all the hours you spent working on the senior index and making it the success it is. Mr. Theodore, we owe you a lot and appreciate your help with publicity, NHS, and School Board pictures. Thanks to Mr. Rinkes for providing us with copies of pictures at deadline time. We would like to recognize the effort of the sports coaches who cooperated with us, and thank you. Thanks Mrs. Barbish for helping us win the Christmas Decorating Contest. Thanks, Adam, for all the moral support, encouragement, and "liquid refreshment." To Mike Kingery for being such a sweetheart we dedicate page 241. Thanks Bob Prizzi for the Ad Divider. We envy the future staffs. Dottie and LuAnn Dudley, you really did a great job on the other dividers. To the guys who stayed up late nights and sacrificed hours upon hours of their time a big thank you: photographers, we appreciate it more than you will ever know. Especially to Mark Harmon—thanks for the beautiful cover and special effects and all the hours of work and dedication. Rarely did you say no, even though we made some pretty demanding requests. You are the best. For Chuck, who was willing to listen and who wrote most of the Introduction, I have only two very meaningful words—thank you. To the great section editors: Amy—miracles do happen don't they? Kim—I knew I could depend on you. Debbie and Cheryl: you two were brave to try what you did and have a right to be proud of your accomplishments. Jean: I'm convinced of your magic touch—I saw the whole Activities Section get done. Priz: You were the surprise of the staff; thanks for coming up with the money to fund this book. You were the best bunch of editors I could have hoped for. Thanks to Raimor Studios for all the work on photography, especially the "rush jobs." Why is it that we always needed pictures on Wednesdays? Thank you Mr. Dickinson and

Mr. Hall. Even though it may have appeared otherwise sometimes, we really appreciated all your work. We wonder how you put up with a bunch like us.

Oh, sure we had some rough times: broken cameras, rolls of film that didn't print, photographers who didn't show, uncooperative parents, lost pictures, mistakes, DEADLINES, snow days—a never-ending list. But it seemed that for every bad moment there were hundreds of great times: the Scurvey notes, "stolen" radios, decorating contests, football games, skating parties, oranges, flying ornaments, winter parties, Elton Chuck, soap operas, "faculty candida," the Liah Trebor club, all the faces we saw in the good old Euclidian office, etc.

The biggest thank you of all goes to the staff for putting up with all of my screaming and shouting. Each of you, in your own way, contributed a part of yourself in producing this book. I hope you're as proud of it as I am. Thanks again to some special people: Jean, Kim, and my parents.

Good luck to next year's staff. May your year be as great as ours, and your book, even better.
